Cancer Council Wig Service

Some people may lose part or all of their hair whilst having treatment for cancer. This hair loss is usually only temporary.

While some people are comfortable with wearing headwear such as hats or turbans, others may prefer to wear a wig.

The Cancer Council Wig Service has an extensive range of new wigs in the latest styles and colours available at no cost, and for as long as required, during cancer treatment.

Hats, scarves and turbans, and patterns for turbans, are also available.

Fully trained volunteers are available to assist you with the selection, fitting and management of your wig.

How to access the Wig Service

Milroy Lodge, 15 Bedbrook Place, SHENTON PARK and is open Monday to Friday 9.30 am to 3.30 pm.

An appointment is necessary. Please telephone (08) 9382 9333 to arrange a suitable time.

If you have already lost your hair, please bring a photograph prior to your hair loss to assist with the selection. It also helps if you can wear your normal make up, including eyebrow definition.

For country clients

If you can't make it to us, we provide a mail order service for country clients.

Please complete and return the attached form and if possible enclose a recent photo and snippet of hair.

A wig will be posted to you.

Should it not be satisfactory, please let us know and we will send you further choices.

Purchasing wigs

You may wish to purchase a wig as an alternative, or in addition to accessing our free service. Several of the wig boutiques in and around the Perth metropolitan area are listed opposite.

As a cancer patient you may be eligible to receive a hospital voucher or claim a Health Care Card rebate towards your purchase. Please make enquiries with the Social Work Department at your treating hospital.

Private health insurance rebates are also available. Contact your health fund to determine your eligibility.

For veteran's Affairs patients, contact the department on (08) 9366 8333 or 1800 113 304 for country callers.
