| <input type="checkbox"/> Kindergarten | <input type="checkbox"/> Year 2 | <input type="checkbox"/> Year 5 | <input type="checkbox"/> Year 8 | <input type="checkbox"/> Year 11 |
| <input type="checkbox"/> Pre-Primary | <input type="checkbox"/> Year 3 | <input type="checkbox"/> Year 6 | <input type="checkbox"/> Year 9 | <input type="checkbox"/> Year 12 |
| <input type="checkbox"/> Year 1 | <input type="checkbox"/> Year 4 | <input type="checkbox"/> Year 7 | <input type="checkbox"/> Year 10 | |

Privacy Statement

We need to collect personal information in order to process your order, as well as to otherwise conduct our functions and activities. By providing your personal information, you agree that it will be used and disclosed by Cancer Council WA in accordance with this statement and our Privacy Policy, available via www.cancerwa.asn.au/notices/privacy.

If you do not agree, (i) you must not provide your personal information; and (ii) we may not be able to communicate with you or provide certain products or services to you. We may disclose your personal information to other parties, including Cancer Councils in other Australian States and Territories, and to third parties who provide products and services to us or through us in the ordinary operation, administration or promotion of our business and otherwise in accordance with our Privacy Policy. From time to time, these third parties may be located (and therefore your personal information may be disclosed) overseas. We may use and disclose your personal information for direct marketing purposes, unless you opt out (which you can do at any time in accordance with our Privacy Policy).

Our Privacy Policy contains information about how you may access and seek correction of your personal information, how you may complain about a breach of your privacy, and how we deal with that complaint. If you would like to change how we communicate with you, or would no longer like to receive updates from Cancer Council WA please call (08) 9388 4351 or email us on sunsmart@cancerwa.asn.au

SunSmart Schools Agreement

If your school is accepted as a SunSmart School, you will be promoting the Cancer Council's SunSmart protection messages in your daily activities, thus providing a role model to other schools throughout Western Australia.

Schools participating in the National SunSmart Schools program must agree to the following terms and conditions.

- To enforce their sun protection policy as documented.
- To take reasonable steps to ensure that all staff, students and parents are aware of the sun protection policy and its requirements.
- To inform Cancer Council WA of any changes to the school's policy and practices and anything else that may relate to or affect its inclusion in the SunSmart Schools program.

The school agrees to comply with the following minimum standards:

- The sun protection policy is to be implemented when the forecast average monthly UV Index in our area is 3 or above
- All students wear a broad brimmed, legionnaire or bucket hat when outside.
- The use of SPF 30 or higher broad spectrum water resistant sunscreen is encouraged.
- Sun protective clothing is part of the uniform/dress code.
- Staff are requested to act as role models by practicing SunSmart behaviours.
- Programs on skin cancer prevention are included in the curriculum of at least three year levels for primary and/or three year levels for secondary.
- The sun protection policy is reflected in the planning of all outdoor events (e.g. camps, excursions, sporting events).
- Outdoor experiences are rescheduled, whenever possible, to minimise time outdoors when the UV Index is 8 and above.
- The school has sufficient shade or is working towards increasing shade in the school grounds.
- The school reviews its sun protection policy regularly (at least once every two years). This involves parents, students and teachers and includes monitoring the school's compliance with its policy and making suggestions for improvement. Cancer Council WA requires compliance with the sun protection policy for the school to remain a part of the SunSmart Schools program.
- SunSmart Schools will be reassessed every two years to reconfirm sun protection practices.

The school principal, school council president and I agree to the above stated terms and conditions of the SunSmart Schools program.
