CRITERIA AND EXCLUSIONS

Some general rules apply

- This application **MUST** be completed by a health professional. Patients are not to be given the form to complete and submit.
- This is not an emergency service. Payment process may take between seven and ten days to complete.
- Financial support is intended as a short term relief payment only, where the treatment for cancer is having a serious direct effect on the person's financial situation and an assessment of significant financial distress has been made.
- Funds are available to a maximum of \$350. This helps to ensure that our valuable community donations reach those experiencing severe financial hardship.
- Payments are made directly to suppliers, not patients or family members. Payments already made will not be reimbursed.
- All other avenues of financial and non-financial assistance must be explored before submitting an application to CCWA.

To be eligible for assistance applicants must:

- Be a Western Australian resident with a confirmed cancer diagnosis and require current or recent (within last six months) medical investigation or treatment including surgery, radiotherapy, and active chemotherapy; or have a poor prognosis.
- Provide sufficient information about their level of financial disadvantage and/or low income status for the referrer to make an assessment. Centrelink benefits are not the sole criteria to receiving this assistance.
- Provide the original or a copy of the unpaid bill.

Exclusions:

- See guidelines.

Health professionals referring applicants to the program must:

- Provide a copy of the bill(s) to be paid.
- Seek an extension to the due date for the account.
- Assess the level of need to ensure assistance is directed to those experiencing the most difficulty.
- Investigate any other options for financial support, including assessment of all available government assistance before submitting an application.
- Investigate opportunities to waive or reduce accounts/fees.
- Seek assistance for other unresolved, underlying issues e.g. budgeting skills.

WHAT HAPPENS NEXT?

- This application will be assessed, based on the level of information provided. If insufficient information is provided the application will be returned to the referrer.
- Payments are made directly to creditors.
- Completion of processing will be communicated to referrers via email.
- Referrers are required to notify clients of payment(s) made.
- Food and fuel vouchers are sent directly to the client via post.
- Clients will be notified by letter when the maximum level of funding has been reached.
