

## Culture Centred Palliative Care “An Aboriginal Perspective”

This two day workshop is designed for health professionals working with Aboriginal clients to develop their skills in caring for Aboriginal people and their families facing a life limiting illness and will explore the topic of cultural awareness in palliative care. The workshop will be presented by a variety of specialists utilising case studies and group discussion.

Topics covered include:

- Introduction to aboriginal history and culture
- An introduction to culturally appropriate palliative care
- Exploring end of life care for Aboriginal clients and their families
- Advance Care Yarning
- Caring for remote Aboriginal clients in Perth
- Sorry Business: Loss, grief and bereavement
