

We are seeking an experienced health education or promotion person to lead and co-ordinate our General Practice (GP) Cancer Education Program.

### Who we are

At Cancer Council Western Australia we believe that every day is an opportunity to create a cancer free future. We work with our community to reduce the incidence and impact of cancer, every minute, every hour, every day. We do this through advocacy, research, prevention programs, and providing people affected by cancer with support.

### Tell me more

As the GP Cancer Education Coordinator you will develop and coordinate strategic and educational initiatives aimed at supporting and expanding the role of both General Practice and the Primary Care sector in cancer control issues in WA.

In addition to this, your other main responsibilities will be to:

- Identify and develop necessary resources to support General Practice and Primary Care
- Coordinate professional development education opportunities for health professionals working General Practice and Primary care
- Establish and maintain effective relationships with relevant stakeholders
- Review, implement and evaluate innovative approaches to GP and Health Professional cancer education

### Who are you?

To be successful in this role you will have the following key attributes:

- Tertiary qualification in health, education, or behavioural/social sciences
- Minimum of 3+ years' experience in a similar role
- Experience working with health/medical professionals
- Innovative approach to developing new educational opportunities
- Demonstrated project management experience
- Knowledge of cancer control issues relating to General Practice and Primary Care is highly desirable
- Experience in interpreting and conducting health research is desirable
- Experience in developing and maintaining budgets is highly desirable
- Strong written and verbal communication skills including public speaking and report writing
- Ability to work autonomously
- Demonstrated understanding of and commitment to the values of Cancer Council WA
- Actively foster the development of a culture consistent with the values of Cancer Council WA

Based in Subiaco, this position is a part-time (0.8 FTE) fixed term until 30<sup>th</sup> June 2022

In this role you will enjoy:

- Working amongst leaders in cancer prevention
- A collaborative and supportive team culture
- Benefits of not-for-profit salary packaging and a meal entertainment card

### How to apply for this role

To submit your application in strict confidence, please include a covering letter clearly outlining how your skills and experience match the key attributes of the role as well as your résumé to [careers@cancerwa.asn.au](mailto:careers@cancerwa.asn.au).

Please note: You will be required to provide proof of ability to work permanently in Australia. Working holiday visas will not be considered.

*There is no closing date for this position. We will commence the recruitment and selection process on receipt of your application.*

*Cancer Council WA is a not for profit, equal opportunity employer and operates a smoke free working environment.*
