Principles of Palliative Care

Module 1

Designed for

Doctors, Registered Nurses, Enrolled Nurses, Allied Health Professionals, Facility Managers, Pastoral Care Workers, Aboriginal Health Workers

Overview

This workshop is an introduction to palliative care which prides itself on being multidisciplinary. Module 1 covers areas of practice and improving patient outcomes via a palliative approach.

Learning area

This module comprises four units:

- A palliative approach
- Communication
- Loss, grief and bereavement
- Self-care

Presented by

Natalie Panizza

Palliative Care Nurse Practitioner
